Qrypt 2011

ETH Zurich

12th-16th September 2011

deadline for submission: ~~12th May~~ 1st June

Qcrypt 2011

FIRST ANNUAL CONFERENCE ON QUANTUM CRYPTOGRAPHY

www.qcrypt.net

Join us at the first conference at ETH Zurich!

We look forward to hearing about all things crypto in quantum information, ranging all the way from QKD, two-party protocols, and device independence to vital information theoretic tools, and maybe even new tasks you are inventing right now!

Both theory and experiment are welcome.

Steering Committee

Matthias Christandl (chair)
Roger Colbeck
Michele Mosca
Renato Renner
Louis Salvail
Wolfgang Tittel
Stephanie Wehner

Advisory Committee

Charles H. Bennett
Gilles Brassard
Ivan Damgård
Artur Ekert
Nicolas Gisin
Richard Hughes
Masahide Sasaki

Programme Committee

Romain Alleaume
Aram Harrow
Hoi-Kwong Lo
Norbert Lütkenhaus
Valerio Scarani
Christian Schaffner
Barbara Terhal (chair)
Gregor Weihs
Jürg Wullschleger
